

Closing of two overpasses in Ste-Anne-de-Bellevue

Closing of two overpasses in Ste-Anne-de-Bellevue

Please note that the City of Sainte-Anne-de-Bellevue will be conducting repair work on two overpasses. These are identified on the map above. Work should begin Tuesday, March 29th for an undetermined period.

Access to John Abbott College from the Highway 40 service road heading west will be maintained. It is important to note that exit 41 of Highway 40 will be closed for the duration of the work. You will have to use exit 44 Morgan and remain on the service road.

To access downtown Ste-Anne-de-Bellevue, you will have to use either Highway 20 or take a detour just before chemin Senneville.

For additional information, please consult the Sainte-Anne-de-Bellevue website at www.ville.sainte-anne-de-bellevue.qc.ca.
