

Baie-D'Urfé

The Centennial Logo

Baie-D'Urfé Town Council is calling on all aspiring artists to help with the creation of a Town Centennial logo to commemorate the town's 100th anniversary of incorporation in 2011.

All residents, young and old are encouraged to submit their design sketches. The logo should be original and unique, just like Baie-D'Urfé. It will be the focal point of our Centennial festivities and will adorn banners, stationery, etc.

Logo design entries should be submitted no later than August 20th, 2010 and can either be dropped off at Town Hall located at 20410 chemin Lakeshore or sent by email to info@baie-durfe.qc.ca. Please note that all electronic sketches should be sent in *jpeg* format. Don't forget to provide your contact information (name, phone number, address etc.).

Should you need supplementary information or experience problems sending your logo, please contact Darlene Ward, Community Life Liaison Agent, at 514 457-5325 or send an e-mail to dward@baie-durfe.qc.ca.
