

COUNCIL COMMUNIQUE – MAY 2006

You can tell spring is in the air as citizens are dusting off their rakes and lawnmowers and generally getting their lawns in order. Well the same holds true for the town.

There will be a new Red Barn Summer Camp July 3rd – August 18th with full and part time positions.

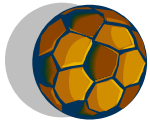

Both the full time and part time camps will have activities, regular swimming, weekly themes as well as excursions every Friday.

Full time hours will be from 7:30am – 5:30pm. Baie d'Urfé residents will be charged \$125 per camper per week. Non-residents will be \$150.00 per week.

The part time camp is only open to Baie d'Urfé residents and the hours will be from 9:30am-3:30pm at a cost of \$75 per camper per week.

Registration will take place Saturday, May 6th at Whiteside Taylor Centre from 9:30am – 12pm. Non-residents will only be able to register after May 14th. Application forms will also be available at the Baie d'Urfé Town Hall. For more information please contact Michelle Sauvé at 457-5406

Baie d'Urfe's parks

Baie d'Urfe's public works will be working on the drainage problem at Balsam Park and looking into the water problems at John Weir Park. This will hopefully solve the problems of wet and dangerous fields as well as the mosquito population. We will also be looking into new playground equipment and the state of our parks. We are going to assess the park benches, swings and broken play equipment as well as our main play structures and ground surface.

Hoping you have a fun and safe summer!!!

Kim Watson Millette
Councillor - Parks and Recreation
