

COUNCIL COMMUNIQUE – OCTOBER 2006

Lakeshore Road between Normandy and the Beaconsfield border will be repaired in October. The contract has been awarded to Roxboro Excavation and should take approximately two weeks to complete. We know you will be pleased with the results.

The Park Improvement Program is continuing with the installation of new equipment and general clean-up in the playground areas. So far comments from citizens have been good but take a look for yourself next time you are out walking.

Security will be a priority item during the coming year. Our new Rescue Squad has already started to patrol our streets on a random schedule. This group of volunteers will shortly begin their Fall Safety & First Aid courses. If you think you might be interested in joining, please call Peter Neville at (514) 457-9277 or Bryan Gillis at (514) 457-3939.

The Rescue Squad is also starting to prepare a list of homes with special needs in the event of an emergency, so if you know a senior or a person who would need help, please remind them to contact the Rescue Squad.

Fall has arrived, so please check your Town Newsletter for branch and leaf pick-up dates and remember that it is illegal to burn leaves or have open fires at anytime.

Winter is fast approaching and fireplace and wood burning stoves will be put to use again so check your chimneys, stove pipes, etc. and be sure to change the battery in your smoke detectors.

Council will be meeting shortly to start budget planning. If you have any suggestions or wishes, please contact any members of Council or drop us a note at Town Hall.

The Rescue Squad & the Montreal Lakeshore Rotary Club will be holding a Fundraising Oyster Party this year on October 27th at 7 p.m. at the Rescue Hall on Surrey Rd. Tickets are \$50 each, so come out and support this worthy cause. Contact Peter Neville at (514) 457-9277 for tickets.

NEIGHBOURHOOD WATCH

This new group in town will hold its first organization meeting in November and will be headed by Nathalie Pedicelli. A representative from the Police Department will attend this meeting. The date will be published shortly, in the meantime, if you are interested in helping out this very important program, please give Nathalie a call at (514) 457-1900.
