

REM crossing over A40

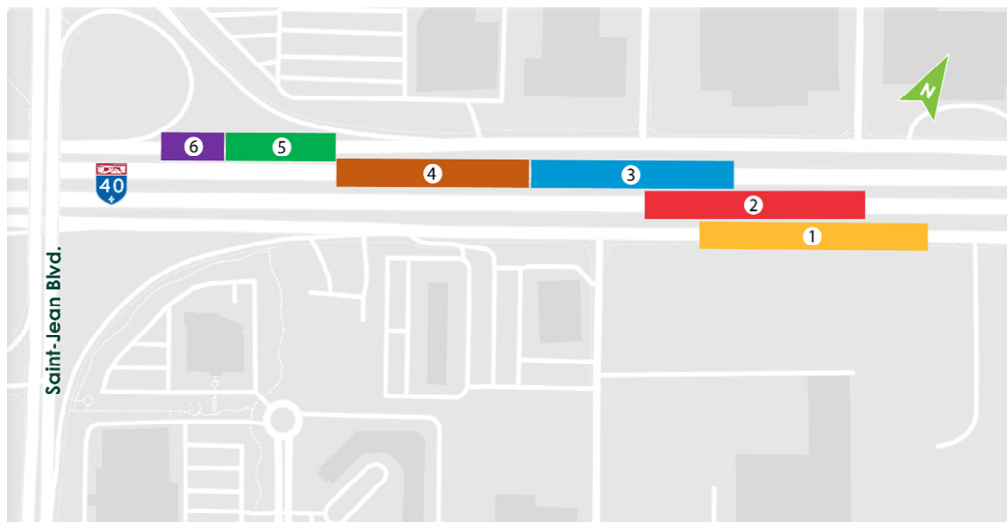

Date: August 2 to September 10, 2021*
Schedule: Nights and weekends, refer to the schedule below
Where: Highway 40, at Saint-Jean Boulevard

Nature of the work:

Beginning August 2, traffic pattern disruptions are planned on Highway 40 (A40) at Saint-Jean Boulevard within the framework of REM elevated structure construction on the West Island. These operations will allow the REM deck over A40 to be installed. This “major crossing” will be carried out in several phases over a period of approximately one month (from August 2 to September 10).

Anticipated impacts and mitigation measures:

Sections of the A40 and service roads in that sector will be closed, as the REM – A40 crossing progresses.

Complete closure of the following sections

Phase 1	A40 eastbound service road	At night*, between 10 p.m. and 5 a.m	August 2, 10 p.m. to August 6, 5 a.m
Phase 2	A40 East	Weekends	August 6, 11 p.m. to August 9, 5 a.m
Phase 3	A40 West	At night*, between 11 p.m. and 5 a.m	August 9, 11 p.m. to August 13, 5 a.m
Phase 4	A40 West	Weekends	August 13, 11 p.m. to August 16, 5 a.m
		At night*, between 11 p.m. and 5 a.m	August 16, 11 p.m. to August 17, 5 a.m
Phase 5	A40 West service road	At night*, between 10 p.m. and 5 a.m	August 25, 10 p.m. to Sept. 1, 5 a.m.
Phase 6	A40 West service road	At night*, between 10 p.m. and 5 a.m	To be determined
