

# Notice of work

**Possible drop in water pressure**

**Extension of maintenance work on the water system**

**New end date: April 20, at 4 p.m.**

## Important to know

### Extension of the work

- The City of Montreal must continue its work to optimize the water supply system under Chemin Sainte-Marie, between Chemin de l'Anse-à-l'Orme and Rue Jean-Yves.
- While all precautions to avoid disrupting the network's continuous supply are taken, these operations the operations underway could cause a drop in water pressure at your tap until April 20, at 4 p.m.

### For further information on drops in water pressure
